Curated Digital Resources

Our Lightbox Learning Classroom Solutions include reliable, trustworthy information and activities that stimulate the imagination and improve outcomes.

Access more than 1,100 ready-to-use, curriculum-based titles to create custom blended-learning solutions that motivate students and address multiple learning styles. Subject areas include social studies, science, language arts, math, and sports.

Each title features images and a captivating design that enhance the text.

All titles are aligned to curriculum standards.

Every title has standard digital features such as videos, weblinks, activities, slideshows, key words, and quizzes.

46,000+

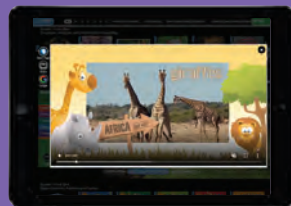

Curated, ready-to-use digital resources that meet the needs of different types of learners

- Audio** enables auditory learners to absorb information
- Reading** improves student comprehension

- Content Chunking** allows visual learners to work with small sections of quantitative data

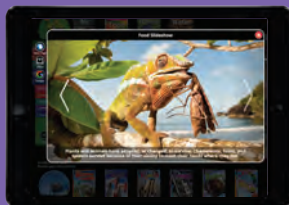

- Videos** increase understanding of new concepts for English language and audio-visual learners through contextual cues

- Infographics** provide graphic representations of data helpful to visual learners

- Weblinks** give supplemental information for self-directed students who prefer an independent learning style

- Slideshows** provide succinct, focused text with visual components to aid visual learners

- Activities** implement hands-on learning opportunities for kinesthetic learners

- Google Maps** take students on a virtual field trip to relevant, real-world locations
