Lightbox Learning Classroom Solutions

Our Lightbox Learning Classroom Solutions include reliable, trustworthy information and activities that stimulate the imagination and improve outcomes.

Access more than 1,200 ready-to-use, curriculum-based titles to create custom blended learning solutions that motivate students and address multiple learning styles. Subject areas include social studies, science, language arts, math, and sports.

Every title has standard digital features such as videos, weblinks, activities, slideshows, key words, and quizzes.

Each title features images and a captivating design that enhances the text.

All titles are aligned to curriculum standards.

50,000+ Curated, ready-to-use digital resources that meet the needs of different types of learners

Audio enables auditory learners to absorb information
Reading improves student comprehension

Content Chunking allows visual learners to work with small sections of quantitative data

Videos increase understanding of new concepts for English language and audio-visual learners through contextual cues

Infographics provide graphic representations of data helpful to visual learners

Weblinks give supplemental information for self-directed students who prefer an independent learning style

Slideshows provide succinct, focused text with visual components to aid visual learners

Activities implement hands-on learning opportunities for kinesthetic learners

Google Maps take students on a virtual field trip to relevant, real-world locations

Top Five Reasons You Will Love Lightbox Learning Classroom Solutions

1
Saves time lesson planning

2
Fast and easy blended learning strategies

3
Increases learner engagement

4
Simple LMS integration

5
Easy-to-use interface

Lightbox Learning Classroom Solutions address the needs of a blended classroom by allowing you to:

Explore

Explore

- Browse through more than 1,200 interactive titles and tens of thousands of pages of digital content
- Access curriculum correlations for every title

Create

- Tailor lessons to students' skills and abilities
- Appeal to many learning styles, including visual, auditory, and kinesthetic learning preferences
- Accommodate all literacy levels with Fountas and Pinnell, Lexile, and Accelerated Reader leveling

Create

Share

Share

- Complete assessments and activities online or print them out for classroom use
- Send assignments to students using your learning management systems
- Present content to your class

Lightbox Learning Classroom Solutions work with your existing technologies.

Grades K-5 Subscription

All the amazing features of our AV2, EyeDiscover, and Lightbox titles are now available in Spanish!

Each Spanish title is an engaging combination of text and curated digital resources. These may include weblinks, videos, audio, activities, slideshows, and quizzes. This provides Spanish native speakers and Spanish learners with a captivating learning experience.

Enhanced Learning!
Bold, dynamic visuals accompany the text and improve reading comprehension.

KEY FEATURES

Contents An interactive table of contents allows readers to easily access their desired spread.

Resources By using the digital resources toolbar, readers can quickly find their desired resources in each title.

Videos Embedded high-definition video clips encourage listening skills and engage audio/visual learners.

Slideshows Pairing visual information with succinct text, slideshows encourage users to compare and contrast differing concepts.

Test Your Knowledge

Quizzes and key word activities can be completed online or printed out for classroom use.

Works with all devices

Along with working on a standard desktop, the Lightbox K-5 Spanish platform can be viewed on all tablets and Smart Boards.
