Lightbox Learning Classroom Solutions

Our Lightbox Learning Classroom Solutions include reliable, trustworthy information and activities that stimulate the imagination and improve outcomes.

Access more than 1,200 ready-to-use, curriculum-based titles to create custom blended-learning solutions that motivate students and address multiple learning styles. Subject areas include social studies, science, language arts, math, and sports.

Every title has standard digital features such as videos, weblinks, activities, slideshows, key words, and quizzes.

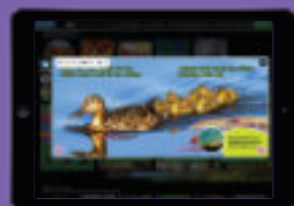

Each title features images and a captivating design that enhances the text.

All titles are aligned to curriculum standards.

50,000+

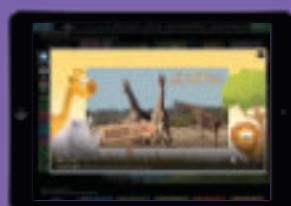

Curated, ready-to-use digital resources that meet the needs of different types of learners

Audio enables auditory learners to absorb information
Reading improves student comprehension

Content Chunking allows visual learners to work with small sections of quantitative data

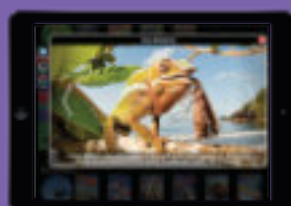

Videos increase understanding of new concepts for English language and audio-visual learners through contextual cues

Infographics provide graphic representations of data helpful to visual learners

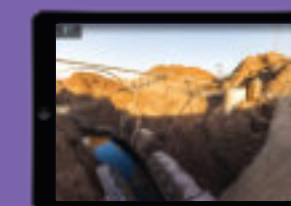

Weblinks give supplemental information for self-directed students who prefer an independent learning style

Slideshows provide succinct, focused text with visual components to aid visual learners

Activities implement hands-on learning opportunities for kinesthetic learners

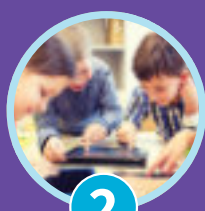

Google Maps take students on a virtual field trip to relevant, real-world locations

Top Five Reasons You Will Love Lightbox Learning Classroom Solutions

1
Save time lesson planning

2
Fast and easy blended learning strategies

3
Increase learner engagement

4
Simple LMS integration

5
Easy@to@use interface

Lightbox Learning Classroom Solutions address the needs of a blended classroom by allowing you to:

Explore

- Browse through more than 1,200 interactive titles and tens of thousands of pages of digital content
- Access curriculum correlations for every title

Create

- Tailor lessons to students' skills and abilities
- Appeal to many learning styles, such as visual, auditory, and kinesthetic learning preferences
- Accommodate all literacy levels with Fountas and Pinnell, Lexile, and Accelerated Reader leveling

Create

Share

Share

- Complete assessments and activities online or print them out for classroom use
- Send assignments to students using your learning management systems
- Present content to your class

Lightbox Learning Classroom Solutions work with your existing technologies.
